

Name: _____

Write about a time you were frightened by the weather.

Have you ever been "scared to death" by the weather?

Did your lights go out during a thunder storm?

Have you survived a flood, hurricane, blizzard, fire, or tornado?

Describe what happened, step by step:

Where were you?

Who was there with you?

What happened first, second, third?

How did things get better?

How do you feel when you think about it today?
